Re: Recall letter to Retailers -TYPE III Product Recall

Dear Valued Partners,

We are writing to notify you that Organika Health Products Inc. (“Organika”) is initiating a Type III product recall for the product(s) identified below (the “Products”).

Organika has identified that certain Products were imported and distributed in Canada from suppliers that were not covered under Organika’s applicable site licensing at the relevant time. Organika has not identified any safety concern associated with use of the Products and accordingly, the recall has been classified as Type III, meaning that use of or exposure to the affected Products is not likely to cause adverse health consequences.

Products Affected

Product Name	SKU/Product No.	Lot/Batch No.	Expiry Date
Lion's Mane Gummies, 60's	4248	251106	11/30/2027
Reishi Gummies, 60s	4249	251107	11/30/2027
Creatine Gummies, 90s	4197	20260416	03/31/2028

Actions Required

Upon receipt of this notice, please take the following actions:

1. Immediately stop the sale and further distribution of all affected Product(s) identified above.
2. Identify and segregate all affected inventory currently in your possession to prevent further sale or distribution.
3. Conduct an inventory reconciliation and confirm the quantity of affected Product currently in your possession.
4. Where applicable, promptly notify your downstream customers/consignees who may have received the affected Products of this recall using this notice that includes the affected Product information and required recall actions. Your downstream customers should be instructed to immediately stop sale and further distribution of the affected Products, and notify you of the Product quantities on hand. Please document and provide us with this information.
5. Complete these actions and return the attached Product Recall Response Form, including confirmation of the quantity in stock and any quantity already distributed.

6. Return the affected product in accordance with the instructions provided in the Product Recall Response Form or contact our sales support team if you have any questions.

We have notified Health Canada and will continue to work with Health Canada and our customers to ensure completion of the recall.

We apologize for any inconvenience this may cause and appreciate your prompt cooperation and assistance. If you have any questions regarding this recall or the actions required, please contact:
